

ELMI CERTIFICATE: PROJECT MANAGEMENT (CompTIA P+)

Duration Part-Time:	8 weeks	Class Times:	17:30 – 20:00
Classes	Mon – Thurs (2 Evenings P/W)		

IS THIS FOR ME?

Do you want to be employed running big projects? In this programme, you will learn about how to manage a project from initiation and planning through execution, acceptance and closure. You will leave with the skills necessary to complete projects on time and within budget.

WHAT IS THE CompTIA P+ Certification?

- The P+ Certification is an international certification that validates the professional skills needed for project management. It is not just for IT technicians, but for any person who want to initiate, manage and support a project or business initiative.
- The programme covers universal project management principles and critical soft skills such as conflict resolution, negotiation, communication, team building and leadership!

WHAT DO I NEED TO GET IN?

- Knowledge, comprehension and application of English and Mathematics at NQF L3/Grade 11.
- Relevant work experience is an advantage.

WHAT CERTIFICATION DO I GET?

- On successful completion of the programme, you will be awarded the ELMI Short Learning Programme Certificate: Project Management.
- You have the option to sit for the CompTIA Project + examination. When successful, you will receive the internationally recognised CompTIA Project + certification.
- This programme is not registered on the National Qualifications Framework (NQF) and is not credit bearing.
