ELMI College is a fully accredited affiliate of Fox IT Service Management South Africa

Duration:	2.5 Days	Class Capacity	8-24 Students
Lectures:	Weekdays		

WHAT IS ITIL®?

ITIL® (Information Technology Infrastructure Library) is a set of detailed practices for IT Service Management (ITSM) that focuses on aligning IT services with the needs of business. This globally recognised Framework is used by various organisations to assist with the management of the company's IT needs.

IS THIS FOR ME?

IT Service Management is integral to every business and ITIL® will assist managers, business staff and end users with the required knowledge to build relationships with their IT service providers.

Through a combination of presentations, exercises and discussions, this two-and-a-half-day classroom based, instructor led training will cover key principals and concepts of ITIL®, preparing you for the examination on the final day.

WHAT CERTIFICATION DO I GET?

On successful completion of your exam, you will receive an ELMI Certificate of attendance as well as a digital ITIL® Practitioner Certificate.
